

ICOBIRD 2024 Conference Agenda

Theme: Digital Frontiers: The Intersection of SDGs, Technology, and International Relations in Shaping the Modern World

Date: 28-29 August 2024

Location: Hybrid Conference, The Stone Legian Bali, Indonesia

Scene Setter

The 13th edition of ICIBIRD 2024, themed "Digital Frontiers: The Intersection of SDGs, Technology, and International Relations in Shaping the Modern World," will illuminate the critical role of technology in fostering international relations and advancing the Sustainable Development Goals (SDGs) in the digital era. This conference seeks to bridge the gaps between technologically advanced and emerging economies, promoting equitable progress towards the SDGs. It will feature keynote presentations, panel discussions, and interactive sessions focusing on the transformative impact of Industry 5.0 on global cooperation.
